

## Easter Egg Hunt

Amy, Ben, Carrie and David went on an Easter egg hunt.  
They found red, purple, yellow and green colored eggs.

The number of purple eggs that they found was three more than the number of green eggs.

The number of red eggs was twice the number of green eggs.

The number of yellow eggs was two more than the number of red eggs.

Amy found as many eggs as Ben did.

Carrie found three eggs more than Amy did.

David found four eggs more than Ben did.

Carrie, whose favorite color is red, gathered only red colored eggs.

None of the other kids gathered red colored eggs.

Answer the following:

- 1) How many red eggs did they find?
- 2) How many purple eggs did they find?
- 3) How many yellow eggs did they find?
- 4) How many green eggs did they find?
- 5) How many eggs did Amy find?
- 6) How many eggs did Ben find?
- 7) How many eggs did Carrie find?
- 8) How many eggs did David find?
