

# Famous Last Words ... in the movies

A Puzzle by David Pleacher

In the column on the left, you will find the last lines from twenty-six movies. See if you can match them with the movie title in the column on the right. Then replace each numbered blank on the bottom of the second page with the letter corresponding to the answer for each last line. The resulting quote will be the last line of a 1956 movie (which is a verse from the book of Leviticus).
